Short break between Showmanship and English classes. Break after hunter hack for trail set up. Speed events may run concurrent with English classes to allow for riders not entered in English classes to complete their runs. Time will still be allowed for English riders to switch tack and complete their speed events. Western classes will not start until after lunch break. Trail class will open at 10 and close at 3pm. Riders are expected to complete their class as time allows between other classes. Riders are welcome to ride in arena during breaks so long as they don't interfere with set up or break down. Classes with an \* do not count toward high point.
